

## Problem B: COVID What?

### Description

Speaking of parallel universes, you have received information that a similar pandemic has occurred in a certain parallel universe. The message contains the pandemic short code but some of the characters have been lost. Nevertheless, all digits in the short code are intact. Identify the year the pandemic originates from. Assume a maximum of two digits are used to identify a year.

### Input

The only line of the input contains the short code of the pandemic.

### Output

Display the year that you believe the pandemic comes from. All years are between 1900 and 1999 inclusively.

**NB:** *Kindly note that your solution will be run at least five times. Each time, it will be tested against a different set of input.
